## Hoopeston Area schools set parent-teacher conferences

Parents will have the chance to find out how their Hoopeston Area students are doing at parent-teacher conferences this week.

Conferences will be held from 4-7 p.m. Thursday and 8 a.m. to noon Friday.

School will dismiss at 2:05 p.m. Thursday for students in kindergarten through sixth grade and 2:20 p.m. for students in grades seven through 12 to accommodate the conferences. Students will not attend school Friday.

Due to the sheer number of students, parents of students in grades kindergarten through six need to make an appointment with their child's teacher to ensure the

time available for their conference. Parents of students in grades seven through 12 are urged to make appointments but conferences can be handled during the specified time without making appointments.

No grade reports will be sent home with any student. Reports must be picked up by parents at their child's attendance center during the set times. This applies to all grade levels.

Parents or guardians who cannot arrange their schedules to attend during the designated times should call their child's school to arrange an alternative time for a conference.
