Residents were generous last Friday during the street corner drive for the United Community Fund of Grant Township.

The drive netted \$2,506, up from \$2,503.50 last year, said Frank Caruso, who is fund drive co-chairman with Charlene Drawdy. "While it's only a little more than last year, it means much more because of today's tough economy for all of us," he said.

The street corner collection is the first part of the fund drive which is held each October.
