What would your stuff cost to replace?

You may think your things aren't worth much. But the average person
has over \$20,000 worth of stuff that's probably not covered by a land-
lord's policy. That's why you need State Farm renters insurance. State
Farm insures millions of people's possessions. Which is good to know
because stuff has a way

of really adding up. Call today
and see how affordable renters insurance can be.
