## County assessor announces

 run for recorder of deeds officeDANVILLE-Vermilion County Supervisor of Assessment Donald Crist announced Tuesday that he will seek the office of county recorder of deeds.
Crist cited two reasons for his decision. "The office marries two things I enjoy greatly, public service and real estate," he said. Second, the county is in the planning stage of implementing a geographic information system. "I would like to help lead Vermilion County in this new direction as our recorder of deeds," he said.
Crist's background is in real estate. A licensed real estate agent and broker, he has 13 years experience in buying, selling, investing and appraising real estate.
He has served in government since 1990 when, at 23, he was elected to the Vermilion County Board and then twice re-elected. He was elected supervisor of assessments in 1998 and re-elected in 2002.
