#### Legislator honored

The Illinois Coalition for Competitive Telecommunications (ICCT) praised State Senator Dan Rutherford (R-53) for voting to protect residents' pocket-books from SBC's anti-consumer, anti-competitive rate-hike legislation, Senate Bill 885, and presented him with the "Friend of Consumer" award. If enacted, SBC's bill would have raised local phone rates in Illinois by as much as 70 percent.

ICCT is a consumer advocate group comprised of businesses, telecommunications providers, Internet and computer service providers, and consumers seeking to end monopoly control of Illinois' local phone market.
