Licensed Practical Nurses - Long Term Care Like You Haven't Seen Our current LPN staff averages nearly 7 years of service with our facility.

Have you been searching for a place you'd want to stay long-term? If you answered yes, then our Long Term Care facility may be the right place for you. We offer a warm and caring environment for our residents and employees. We strive to make a difference daily in our resident's life by offering a more spontaneous lifestyle including eating and social activities based on the resident's personal preferences.

If you're a caring LPN looking for that RIGHT opportunity, our facility may have the position for you. We've currently got opportunities for a full or part time LPN.

The part time position would be ideal for the individual who just wants a few hours each pay period. The part time person works every other weekend on second shift.

If you want full time hours, we can offer 32-40 hours (your preference) with hours divided between second and third shift. This position would also be responsible for working every other weekend.

If you are interested in joining our environment, please contact Betsy Morgenroth at Hoopeston Regional Health Center via phone (217) 283-5531; fax (217) 283-4803; in person or by mail at 701 E. Orange, Hoopeston, IL 60942, or email at betsymorgenroth@hoopestoncmh.org.
