Letter to the Editor

On having a litter-free parade

We need your help! The last few years you have probably seen Hoopeston Trash Walkers collecting garbage at the parade. This year, we want to do things a little differently.

We recently passed out some garbage bags. If you didn't receive one, feel free to bring your own from home to the parade. Gather your garbage in your back so when you see our truck in the parade (Spotless, the dog, will be in the back of the truck) you can give the bag to a volunteer or an adult can put the bag in the back of the truck.

We will not be collecting loose litter, only bags, so if you see someone near you putting litter on the ground, don't be afraid to ask him to pick it up. He may not be from here and know how important it is to us that our town look great! If you miss our truck, there are plenty of garbage cans along the parade route.

With all the hard work the Jaycees put into making Labor Day such a festive weekend for us all, let's do our

part to show them how much we appreciate it. Help keep this a litter-free festival!
