Rankin woman dies in Rantoul Conair plant explosion

RANTOUL—A Rankin woman was the sole fatality
in an explosion Wednesday night at the Conair plant.

Erna Uden, 52, was pronounced dead at the scene,
according to a statement from Champaign County Cor-
oner Duane Northrup.

Physical evidence obtained during an autopsy Thurs-
day confirmed Mrs. Uden's identity. Preliminary au-
topsy results indicate she most likely died from thermal
injuries she received during the explosion. Toxicology
tests will be performed and an inquest scheduled at a
later date.

Mrs. Uden's body was found in the vicinity of the
factory's alcohol room, where the fire is believed to
have started.

Rantoul firefighters were called to the hair and beauty
products plant at 8:56 p.m. for a report of a major explo-
sion. By midnight, search and rescue teams were able to
begin searching for Mrs. Uden.

According to reports, 58 people were in the plant at
the time of the explosion. All but two escaped. One em-
ployee was treated for injuries and released.

As a precaution, workers at the neighboring Eagle
Wings and Rantoul Products plants were also evacuated.
Workers were taken to Rantoul High School and were

later able to return home. Day shift workers at Conair
were told not to come to work Thursday but investiga-
tors were scheduled to pick through the wreckage to
determine why the fire started.

The room where the fire is believed to have started
contains alcohol for cleaning equipment and tools. It is
believed that denatured alcohol used in hairspray, also
helped feed the fire.
