## DACC announces Presidential Scholarship recipients

Danville Area Community College and the Danville Area Community College Foundation have announced recipients of the Presidential Scholarships for the 2005-2006 academic year.

Selection is one of the highest honors the college and foundation can bestow upon an entering first-year student.

Scholarships are awarded only to students in the top 15% of their high school graduating class. Each scholarship provides full tuition and fees at DACC for two years, with a value of almost \$4,000. The DACC Foundation provides funding for the first year of the Presidential Scholarship and a gift from the Frank Brittingham Estate supports the second year of the program.

The 2005-2006 Presidential Scholarship recipients are:
