Grant Township board approves slight increase in tax levies

Grant Township officials hope to get more than \$431,000 in combined town and road tax levies next year.

The board unanimously approved levies at its regular meeting Tuesday afternoon.

The levies represent slightly more than the township received in extended property taxes this year, according to official documents. For the town portion, the levy of \$214,800 is 4.56 percent more than the \$205,421.52 received in taxes this year.

The road and bridge levy shows a 2.08 percent increase over the amount actually received this year,

\$216,600.

Included in the town portion are such things as town officer compensation, youth services, senior services and economic development. The town part also includes the township's general assistance program.

Money from the road and bridge levy will pay for such things as salaries, new road signs and repair of equipment, roads and bridges.

Also included is \$17,000 in building and equipment, about the same as last year's, which may be earmarked

Police News

No tickets or injuries were reported in an accident at 6 a.m. Friday on Rt. 9 east of Hoopeston. Police said Marie D. Ruppel of Fowler, Ind., in a 2004 Chrysler, was westbound when she struck a deer.

A 20-year-old Hoopeston man reported Sunday that someone took a stereo from his 1985 GMC truck while it was in the 700 block of East Lincoln.

Township continued from other side

for a new building to house road equipment if the board approves construction.

Officials have discussed a new building for approximately the last three months and are working on ways to fund the estimated \$150,000 price tag.

Township Supervisor Bill Boose said both the town and road and bridge levies are at their maximum rates allowed by law and that while both represent increases in hoped-for dollars, the only way the township will receive what it has requested is if the township equalized assessed valuation (EAV) goes up.

Levies approved last year for this year went up - as did the EAV - but increased exemptions resulted in the township receiving about \$14,000 less, he said.

The only way to raise the percentages is to put the request to a referendum but Boose said he does not want to raise taxes.

Fire Calls

The Hoopeston Fire Department was called at 5:03 p.m. Tuesday for a field fire on 1300 St. Rt. 9. Wellington and Rossville fire departments were called for mutual aid.

The department was called at 6 p.m. Sunday for a porch on fire in the 300 block of East Lincoln. No injuries were reported.

Weather

Chance of thunderstorms today, tonight and tomorrow. High today 70, low 57. Tomorrow, high 64, low 41.
