Rodger and Marj along with their children Tiffany and Chad Bruens, and Taylor look forward to continuing to serve the community of Rossville with the same compassionate service that they have always offered at their new location.

Wolfe, a licensed Funeral Director since 1983 had worked along side his father for over 20 years until Don Wolfe's retirement in 2004.

Wolfe attributes his success to the great people of the communities in which they are located. "If it wasn't for the continued support from the people, small businesses like ourselves could never survive," he said. We are very anxious to serve the Rossville community from our new location, that is handicapped-accessible for all special needs, along with a larger facility to handle every family's needs.
