## Contest, drawing winners announced by various agencies

### Children's Art Program

Four area youngsters will have their artwork displayed at Provena United Samaritans Medical Center, Danville.

The students' projects will be displayed at 6 p.m. Thursday, Sept. 20.

Original works of art from 16 students each from 16 area elementary schools were chosen by school art instructors to be professionally matted, framed, and hung in the ground floor and fourth floor hallways of the medical center for a period of two years. At the end of that time, the artwork will be returned to the artist and his or her family to continue to cherish for years to come.

"This is our third year for the program here at Provena United Samaritans," states Becky Hawkins, Director of Volunteer and Senior Services, who coordinates the program. "We hear comments almost daily from people walking by the artwork in the halls. Visitors really enjoy seeing the colorful, original pieces the children create."

Administrators from Provena United Samaritans will assist in the unveiling, and then the artists and their families will be treated to a picnic-style dinner.

Local students, grades K-5, whose artwork was chosen are:

- Jared Laymon Bismarck-Henning Elementary
