Indoors and Outdoors

By MOLLY CULBERT

“It takes all kinds” - you’ve heard that saying. It also takes all sizes, it takes all colors. I’m thinking about wreaths or swags to go on doors, indoors and out, hung high, hung low, that are just the perfect thing for Christmas decorations, indoors or outdoors.

Just wait until you see all our choices for you. You’ll find all the traditional colors. I call red, green gold and silver traditional and we’ve added teal, chocolate (wait til you see!) turquoise, pink, copper, white, purple (a purple like I’ve never seen before,

astoundingly lovely). I have a silver, a copper, a turquoise and a purple in a poinsettia pick with sequins that have outstanding light reflection, they literally glow.

It’s old news that we are open seven days a week and we’re trying something new. Each Saturday and Sunday, great shopping days always, we are adding a special-priced popular item to let you easily take home a special objet to add to your Christmas treasures.
