Increased fees, no pay raises, reserves used to balance budget

Hoopeston City Council approved a balanced budget Tuesday, using reserve funds and cuts.

Officials expect income of \$2,261,002 and expenses of \$2,289,833 for the fiscal year which began May 1.

Aldermen approved a \$1-per-month increase in garbage rates, no raises for employees, cutting several one-time expenses and using reserve funds to leave the budget with an estimated surplus of \$3,769, said Alderman Bill Goodwine, city finance committee chairman.

At a budget meeting April 28, Goodwine said the city will revisit the wage issue in 60 or 90 days and may offer an increase if the economy is improved.

Aldermen also approved cutting accruals - money saved for major purchases - by half for the year; cutting three summer employment positions for the parks and cemetery departments; and using depreciation income to cover a shortfall that started at more than \$240,000.

In the last 2 years I've become one of central
Indiana's largest volume female jewelry buyers.
I drive the 2 1/2 hours each way back to
Hoopeston to buy because my children
are from here and out of respect for former
customers of Brianna's baby Shop.

I want to make sure people locally are paid top dollar
for their items without having to drive out of town.
Small town shouldn't mean small offers.
I don't make the profit I would buying in Indy
but love eating at Mr. B's and visiting & buying in
Global Fashions.

Looking forward to buying your items this Saturday!

Thank you,
