One person can make a difference

What can I do? I am just one person with not a lot of skills or recourses. All communities are struggling with cut budgets and less staff and yet our great community continues to grow and be the best we can be. There are many good causes in our town and one such cause is the Hoopeston Area Healthcare Foundation.

You note how much our Hoopeston Regional Health Center is growing under wonderful leadership and so you ask what does the Hoopeston Area Healthcare Foundation do? We are a fundraising organization to give you and others the opportunity to support Hoopeston Regional Health Center. That includes Hoopeston Hospital, Hoopeston Nursing Home, Country Terrace, Bridgeway Behavioral Services, Rossville Medical Center and Cissna Park Medical Center.

Just a few accomplishments: \$25,000 towards the purchase of the new transport van for Hoopeston Community Memorial Nursing Home and Country Terrace residents; new personal TVs for swing bedrooms in the hospital;

sponsor of Breast Cancer Awareness; contributed to purchasing nursing home dining room furniture; support and do Health and Education programs in the area. Perhaps my favorite, because I have little grandsons is the Kid Care ID program which is photo and fingerprinting ID to elementary schools in Hoopeston, Cissna Park, Milford, Sheldon, Rossville, Potomac and Bismarck. How awesome is that?

What can you do? Each of you must look into your own heart and your budget and decide how much you can help. Many years ago, my Mother reminded me that every dollar matters and if all I can give is five dollars then do it, however if I have been blessed with more and able to give \$500 then do it. She had told me, "Bertha, whatever you give to help someone or a community will always come back to you double." You know that's right, when you see what has been done with what has been given. It is double and we are thankful.

Sometimes we wonder, where do our dollars go? Hoopeston Area Healthcare Foundation gives all your

dollars back to the community by improving facilities you use, by teaching you about health concerns and by keeping your children and grandchildren safe. For me

Police News

Nate C. Williams, of Hoopeston, was treated at Hoopeston Community Memorial Hospital in a one-vehicle accident Monday.

Police said Williams, in a 1998 Chevrolet, was westbound on 4000 North, approaching 1650 East, at 8:53 a.m., when he left the road, went in a ditch, overcorrected, came on the road and rolled over.

Weather

Chance of thunderstorms today. High 80. Tonight, partly cloudy. Low 60. Tomorrow, mostly sunny. High 83, low 63.

For current weather conditions, call Hoopeston Weather Service, (217) 283-6221.

that is a good, good feeling, that no matter how much or how little I feel I can give, it does make a difference. Right here in Hoopeston and the surrounding area.

Just think how Grant/Butler Township assessor, Susie Sheppard and Alderwoman, Sue Comstock had an idea. They took that idea and contacted volunteers to construct and mount the silhouettes on windows in downtown Hoopeston. Notice how great they look. Yes, one person sharing an idea with many and dollars came to complete the project. That is how the Hoopeston Area Healthcare Foundation works - knowing and caring about the needs of your community and depending on your support and help. We appreciate whatever help you can give.

On this beautiful day, please take the time to consider how you can help this cause or another right here in your town. Remember, every dollar counts and you do make a difference.
