Let us not forget anyone

When requesting military persons names and addresses for sending cards and letters, we do not want to forget anyone in the service, whether stateside or deployed. Please let us know if the service person agrees to have his or her name and address printed in the paper. Information may be emailed to bparsons63@aol.com or call Bertha Parsons 217-283-6876.

We are grateful for all the service our persons do and want them to know we care, that is why a note or even a box of goodies would be very welcome.

The signs are to honor those who are deployed. These signs cannot be given away when taken down as they are re-used when others are deployed.
