Anthem Chevrolet qualifies for brand storefront upgrade

Chevrolet has embarked on what it believes to be the most substantial dealer facility transformation in the automaker's history, and that transformation has started at Anthem Chevrolet Buick in Hoopeston.

Dealership renovation includes a storefront upgrade to comply with Chevrolet's national branding, as well as various interior changes.

Dave McFadden, Anthem Chevrolet owner, welcomes the enhancements and knows the impact on the community will be great. "We're very excited about this; we qualified for the upgrade based upon performance criteria set forth by Chevrolet." McFadden said "And because of this, we will be able to contribute to the great things that are happening in our community, especially the growth we are
