Patient Testimonial:
 I came to **Robinson Chiropractic** to help with the pain in my feet. I have Plantar Fasciitis that was so bad as soon as I got up in the morning there was pain in my feet. After my first Graston treatment there was already noticeable improvement!
 Very happy I decided to go this route. I'm on my seventh treatment and I feel great! Being on my feet at work all day is no problem. I would recommend Graston to anyone in the same situation I was in.
