All smart phone users invited to local Cellular One classes

Cellular One in Hoopeston is hosting smart phone classes, with the first one from 6-8 p.m. Wednesday.

Training is open to all smart phone users, not just Cellular One customers.

Information will be available on both smart phone basics and advanced smart phone capabilities.

"Smart phones offer so many great features and applications," said Brenda Judy, store coordinator at the Hoopeston store. "We want the users to be able to take

full advantage of all that the phones can do.

"Of course, we encourage our customers to call or stop in anytime with questions," Judy continued. "We feel this class will offer a great opportunity to get questions answered and learn things you had not thought to ask about or did not even know you could do."

Attendees will receive a training guide they can take with them and will be entered in a door prize drawing. Refreshments will be available.

Cellular One is located at 826 S. Dixie Highway, Hoopeston, next to McDonald's. Call the store at 217-282-7355 for more information.
