### A Modern Fairy Tale

## Goldilocks' Porridge Shop

Goldilocks opened a porridge shop after visiting the Three Bears.

She wanted to increase business and advertised in the longest-running publication in the land. Then the bill came. "These prices are too high and nobody bought my porridge," she said. She advertised in another publication but noticed they piled up in doorways and saw dogs treating them as toys. "My ads are not being seen and no one is buying my porridge," she said.

Then she placed her ad in **Just the Facts**. Sales skyrocketed so she started a chain of porridge shops, bought a jet and and lived happily ever after!
