## Social Security Administration announces expedited disability screenings for veterans

Carolyn W. Colvin, Acting Commissioner of Social Security, announced the launch of a new disability process to expedite disability claims filed by veterans with a Department of Veterans Affairs (VA) disability compensation rating of 100% Permanent & Total (P&T).

Under the new process, Social Security will treat these applications as high priority and issue expedited decisions, similar to the way the agency currently handles disability claims from Wounded Warriors.

"We have reached another milestone for those who have sacrificed so much for our country and this process ensures they will get the benefits they need quickly," said Colvin. "While we can never fully repay them for their sacrifices, we can be sure we provide them with the quality of service that they deserve. This initiative is truly a lifeline for those who need it most."

To receive expedited service, veterans must tell Social Security they have a VA disability compensation rating of 100% P&T and show proof with their VA notification letter.

tion letter.

The rating only expedites disability claims processing; it does not guarantee an approval for Social Security disability benefits. Veterans must still meet eligibility requirements for a disability allowance.

For information about this service, visit [www.socialsecurity.gov/pgm/disability-pt.htm](http://www.socialsecurity.gov/pgm/disability-pt.htm).
