Coach talks new co-op football team at Sunday meeting

Michl Kearney has a list of goals for next year's Hoopeston Area-Schlarman Academy co-op football team that he'll be coaching.

The first goal is to beat Sullivan, where a former class-mate coaches. "I want to beat him so bad," Kearney told about 50 people at a meeting Sunday to discuss the co-

op team with potential players and their parents.

Other goals are to be complete to the end of each game; win homecoming and senior night games, against Georgetown-Ridge Farm and Oakwood-Armstrong Potomac when HA/SA plays at Schlarman and Bis-

Those are lofty goals, but Kearney believes with hard work, it can be attained. To that end, there will be plenty of hard work for athletes, including summer training, weight-lifting, football camp and practices, practices, practices. "If you cannot practice, you cannot play, he said.

All that work will have a payoff in games won and points towards senior lettering. Kearney said athletes who earn 300 points in a year will receive a senior letter. Points are awarded for training, practices, playing in JV and varsity games.

Letters to the Editor

Good Tuesday morning, Hoopeston. Have a blessed Holy Week, renew your faith or grow it.

Tuesday evening our next town council meeting. May it be peaceful, questions that inquiring minds - we citizens - need and have a right to know and get concrete answers. We need to be the tortoise in the race, if we let up, we well never be free here. It is not a question of God being on our side; are we on His side?

We are to pursue peace and holiness without no one shall see the Lord. Of course we are angry, tired, of same ol', same ol'. We need to calm ourselves before the Lord, go in peace with facts. Some were already presented, especially sanitary issues, a health hazard and see about getting a drug rehab center started here. "Lord have Mercy." Amen.

Additionally a Players Council will be comprised of seniors whose job it will be to advise coaches of problems at practice, games or school, and suggest remedies for the situation.

Kearney also went over logistics for practices for the Hoopeston and Danville-based athletes, as well as mandated clothing for athletes to purchase before the season.
