## Letters to the Editor

### *Thanks and prayers for those who served*

I want to thank all our veterans and their families for the great sacrifices they made and continue to make. Those of us who remember and care pray that our younger generations never forget the sacrifices made on their behalf to yet live their free lives.

I especially want to acknowledge those who returned from fighting still wounded in body and/or spirit. I pray for those who still have nightmares that they will no longer be haunted by those memories. And those surely who need healings in their spirits and souls, especially those who were pained by the bad receptions on their return home from Viet Nam.

For any burdened by any guilt of thoughts of second guessing what they could or should have done, let it rest in our Savior, Jesus Christ's hands. Please keep in mind, you did what you were called to do and for that we salute you and will continue to remember you in our prayers as long as we live.

For the families with broken hearts, we remember

and pray for you always. God bless you all.

Alice Lawrence Fink
