Hoopston breast cancer group seeks walkers, donations

Hoopston Breast Cancer support group is participating in *Making Strides of Champaign* event on Saturday, Oct 17, at Meadow Brook Park, 2808 South Race Street, Urbana.

Making Strides Against Breast Cancer is a celebration of survivorship. You can help finish the fight against breast cancer by raising funds for and walking with The Hoopston Breast Cancer Support Group. Last year our group had 24 walkers who collected \$1,515 for this cause. We invite you to participate as a walker or with your financial support or both. Membership in the support group is not necessary to participate. For more information, please

contact Pat Foster at 815-984-4040. Donations can help us all make strides against breast cancer.

Every Making Strides event is an incredible and inspiring opportunity to unite as a community to honor and celebrate breast cancer survivors, raise awareness about the disease, and raise money to help the American Cancer Society save lives from breast cancer by funding groundbreaking [breast cancer research](#), providing free comprehensive information and support, and helping people take steps to reduce their risk of the disease or find it early when it's most treatable.

Will you MAKE STRIDES with us?

Barbara Standish DAR remembers 911, adds members

Barbara Standish Chapter NSDAR honored those lives lost in the 911 attacks at the first meeting of the new year on September 10 with a memorial service.

A special remembrance was held for William Tselepis Jr., married to former Hoopston resident Mary Christine. He was a foreign exchange broker with Cantor Fitzgerald in one of the twin towers when it was struck by planes on that disastrous day of September 11, 2001.

Following the opening ritual, the chapter discussed plans for October 11 to celebrate the 125th anniversary of the National Society Daughters of the American Revolution and Barbara Standish Chapter's 110th anniversary reception. The reception will be held at the Hoopston Public Library from 1-3 p.m. on October 11 in the meeting room of the library.

Four new prospective members - Su Bane, Betty Richards, Emily Duncan and Jan Hopkins - were voted on and approved unanimously. Alyssa Yaden's name was presented by Ruth Neathery for membership.

It was noted that three applications - Gail Lane, Jan

Hopkins and Anne Rhoades - are in the process of being documented by chapter genealogists.

Governor Bradford Chapter sent an invitation to attend the rededication of the Revolutionary War and Minute Man Statue on Saturday, September 19.

Mayor Bill Crusinberry signed a proclamation marking September 17-23, 2015 as Constitution Week. It is the 228th anniversary of the drafting of the Constitution of the United States of America.

Two awards were received by the chapter for Chapter Achievement Level 1 and Celebrate America from National.

The program for the day was presented by Ruth Neathery on Richard Henry Lee, a signer of the Declaration of Independence.

The next regular meeting will be held Saturday, October 17, 11:30 a.m. at the Farmer's Convention Center in Cissna Park. Illinois State Regent Sharon Frizzell will be the guest speaker in a combined meeting with Princess Wach-E-Kee Chapter.
