What a grind

Kevin Tyler of Tyler Fab & Welding, Hoopeston, braved Saturday's heat to grind part of the Lorraine Theatre marquee. The work is part of a larger project made possible by a grant from Iroquois Federal to replace a portion of the lights with LED bulbs, said Alex Houmes of Save the Lorraine Foundation. After the metal spots are fixed, the area will be repainted and sealed and a section of the bulbs will be replaced with LEDs. Other metal spots will be fixed in the future, Houmes said.
