Prairielands Council of BSA announces new program for boys entering kindergarten

Prairielands Council is excited to announce that there is now a Scouting program for boys entering kindergarten, and they're called "Lions." In 2016, the Lion program ran as a pilot program in selected areas throughout the Country, including Prairielands Council, and it generated great success.

Like all Scouting's ranks and programs, Lion is about offering opportunities, education and having fun. A boy will play games while learning about exercise and being healthy. They'll also learn about conserving energy with tips for taking care of our planet; the enjoyment and value of community service; plus first aid and the "Buddy System" when outdoors. Each element is presented in an interactive and fun way, with age appropriate materials that make learning enjoyable.

A Modern Fairy Tale

Goldilocks' Porridge Shop

Goldilocks opened a porridge shop after visiting the Three Bears.

She wanted to increase business and advertised in the longest-running publication in the land. Then the bill came. "These prices are too high and nobody bought my porridge," she said. She advertised in another publication but noticed they piled up in doorways and saw dogs treating them as toys. "My ads are not being seen and no one is buying my porridge," she said.

Then she placed her ad in **Just the Facts**. Sales skyrocketed so she started a chain of porridge shops, bought a jet and and lived happily ever after!
