### What would your stuff cost to replace?

You may think your things aren't worth much. But the average person has over \$20,000 worth of stuff that's probably not covered by a landlord's policy. That's why you need State Farm renters insurance. State Farm insures millions of people's possessions. Which is good to know because stuff has a way of really adding up. Call today and see how affordable renters insurance can be.
