This year, owner occupied and senior citizen Homestead Exemption amounts will be increased to \$5,000 and \$2,000, respectively.

Boose estimated officials will not know the impact for at least 90 days.

Vermilion County Board member Gary Weinard, who attended the meeting, said funds may be available through federal grants for Homeland Security. "The feds seem to have dollars for that," he said.

Weinard also said the county will lose about \$44 million because of the change in exemptions.

In other discussion, Boose said the Republican caucus will be held Tuesday, Jan. 11. A time and place have not been announced, he said.
