Garden Walk 2006

This year's Area Garden Walk is coming up quickly. In case you haven't heard, it is Saturday, June 17th from 9 am to 4 pm. It is in conjunction with the "Drivin' the Dixie". There will be a few things different about this year's walk.

First, there is no set fee for the tickets. It is by donation only. Whatever is collected will be given to the Hoopeston Beautification Project. Tickets can be picked up starting Friday, June 21 at Flowers and Gifts by Molly, Ruby Nell's and Margarita's Restaurant.

Another thing that is different is a photo contest. Bring your cameras and take pictures and you could win \$50 or \$25. Just take a picture at one of the homes on the walk, submit it to Just The Facts along with your name and the place where the picture was taken. Just the Facts will publish the pictures and its readers will vote for

their favorite. First place is \$50 and second place is \$25.

Something else we are doing this year is allowing those who can't walk to drive through our yard - our yard only- during the first and last hour of the walk. From 9 to 10 am and again from 3 to 4 pm, we will guide those who choose, through our yard in their cars - Sorry no trucks or SUVs. I know this is only one yard, but we think you will enjoy seeing it.

For a little taste of what to expect, let me take you on a little tour of our yard right now. When you first turn into our driveway, immediately past the evergreens to you

right is our double, pondless waterfall. This has two waterfalls falling into one stream. The stream falls down the hill into the ground. You pull up further to the south side of our home. To the right, between the garage and front door is a small flower bed. Straight ahead is our clay pond which is approx 125 ft by 75 ft with an island in the middle. The pond is the home to Charlie the guard swan, goldfish, turtles, toads and tadpoles. To the east of this pond, about 35 ft back is a cave with a 5 ft tall waterfall at the entrance. This is the newest addition to our yard. Back to the west, next to our home, is a 11 X 16 ft pond with a small waterfall. There are also a couple of flower beds between the clay pond and the house.

This is just one of the yards on our walk. Each yard has it's own unique style and special features. We have some return yards and some new. Why have some of the same yards as before? Because each is beautiful they are worth seeing again. And no yard is the same two years in a row.

We know there is a lot going on that day, so we will be honored if you take the time to come and join us as we open our yards to share with our neighbors and friends.
