## MISSING DOG

Our Lab/hound mix ran off Sunday and I'm asking for your help to locate her. She was last seen around 3600 N 990 E RD - West of Hoopeston - south of the moto-cross track . Her name is Storm.

She's black with white markings, a whitish muzzle, brown eyes, and floppy ears. She's wearing a red collar with silver reflective paws on it. She's very friendly.

If you see our dog, please, please cal (217) 283-9348 Thanks!

Hoopeston Area High School's Marching Cornjerker drum line displays new drums purchased by Hoopeston Regional Health Center.

## Health center donation is music to marching band's ears

Hoopeston Regional Health Center understands the significance of giving back to the community. Recently, HRHC donated brand new, top of the line drums to the Hoopeston Area High School marching band. These drums are valued at \$8,000 and are the best quality that the HAHS marching band has seen in a long time.

Contributing to the youth of the community is important for HRHC. Last year, the hospital donated scoreboards to the high school's athletic department. So in an attempt to play a role on a wide scale, HRHC decided this year to donate to the music department. This donation allows the Hoopeston Area High School to possess drums that are only owned by two schools in the state of

Illinois; Hoopeston Area, and the University of Illinois.

If you need more information or have questions please contact the Hoopeston Regional Health Center at 217-283-5531.
