**Come See Us After Hours**

We heard you! Based on what you told us, CARMC has added Karen Langdon, MS, PA-C, for After Hours care. Patients can now walk in or make an appointment from 8 am to 6:30 pm on Monday, 8 am – 8 pm Tuesday – Friday, and from 9 am – 5 pm on Saturday.

Karen brings small town roots and larger city experience to her new position in Hoopeston. After growing up in a small town in Ohio, she earned degrees from Texas A&M and Baylor. She has treated emergency department patients in Michigan, and After Hours and Rural Health clinic patients in northern Illinois before choosing to practice in Hoopeston. Karen brings over 16 years of experience to the new After Hours care at Charlotte Anne Russell Medical Center.

## Endowment of former Hoopeston teacher to fund projects

The honor of a Faculty Endowed Chair is treasured within the academic community. At Danville Area Community College, the Faculty Endowed Chair program is administered by the DACC Foundation and funded by generous and progressive local donors. An Endowed Chair underwrites professional, curriculum, and student development initiatives for an outstanding faculty member who presents a well-crafted plan for the Chair's use.

The Foundation announced two awards at the 2010 Honors Program. Phyllis Wille, Nursing instructor, received the Keith and Nancy Bates Faculty Endowed Chair in Math and Science for her proposal to enhance

the pediatric nursing clinical experience for DACC nursing students. Professor Glenda Boling, a national Meardy Faculty Award recipient, received the Dorothy Duley Faculty Endowed Chair in Liberal Arts for her proposal to expand the performing arts experience at DACC.

The Dorothy Duley Faculty Endowed Chair in Liberal Arts is a two-year award. The Duley Chair was established in 1992 by the estate of Dorothy Duley, a retired English teacher from Hoopeston-East Lynn High School. Professor Boling plans to use the funds to enrich performing arts activities at DACC with professional sound equipment and design, costume rental, and set pieces. Her use of the Duley Endowed Chair will enhance both the student and audience experience at DACC performing arts productions.

The Keith and Nancy Bates Faculty Endowed Chair in Math and Science is a three-year award providing faculty with a stipend for professional development and instructional enhancements. The Chair was established through the generosity of Nancy Bates, a former DACC trustee and Foundation Board member, and her husband Dr. Keith Bates, in 2007. Wille plans to use the funds to increase nursing students' exposure to the unique needs of the pediatric patient through clinical visits to a dedicated children's hospital. Her use of the Bates Endowed Chair will have a direct impact on student learning outcomes and on our community when the students graduate to serve in local health care facilities.
