

WE STILL HAVE YOU COVERED

Hoopeston Regional Health Center will continue to accept all insurance plans that it does today, including Blue Cross Blue Shield.

The potential integration of Hoopeston Regional Health Center with Carle Foundation Hospital will not affect insurance plans currently accepted at Hoopeston Regional Health Center.

If we follow through with the proposed integration, we anticipate the process to be complete in October 2012. And when that time arrives, you can be confident the only changes we expect will be designed to improve your access to quality healthcare.

We are always striving to meet the needs of our community. We appreciate your continued support and look forward to serving you in the future.

Cultra concerned over stray Cat

An announcement last week that Caterpillar may leave the state because of high taxes is cause for concern for state Sen. Shane Cultra (R-Onarga). "Cat provides thousands of direct and indirect jobs in the 53rd District," he said. "This move could cost Illinois over 20,000 jobs. We should not be having discussions about how to simply keep Cat in Illinois; we ought to be asking ourselves how we get them to bring more jobs back to Illinois."

Caterpillar CEO Doug Oberhelman sent a letter to Gov. Pat Quinn saying the company is considering leaving due to the tax rate hike imposed by the state. Four states, including neighboring Indiana, are courting the company.

Quinn, who is expected to meet with Oberhelman on April 5, said Saturday that Caterpillar will not leave Illinois.
