## Hoopeston Public Library to offer online computer courses

Hoopeston area residents who want to improve their computer skills may do so for free, as part of a new online learning program at Hoopeston Public Library.

Whatever the field, most jobs today use some form of technology, so basic computer skills are important. Adults who are not very comfortable using a computer, along with those who want to brush up on their basics, learn how to put together a resume and cover letter, or learn new software, can sign up now for the free classes, which begin July 18. Instruction is online and participants will proceed at their own

pace and convenience.

Featured courses include Computer Basics, Internet Basics, Email Basics, Using Windows, Microsoft Publisher, and Microsoft Office (Word, Excel, Power Point and Access). Successful completion of the Microsoft Office classes will also earn participants Continuing Education credits.

Additionally, courses are available on internet safety, Google, Microsoft Outlook, Internet Explorer 8, Mozilla Firefox and using social media (Facebook and Twitter).

# Goldilocks' Porridge Shop

Goldilocks opened a porridge shop after visiting the Three Bears.

She wanted to increase business and advertised in the longest-running publication in the land. Then the bill came. "These prices are too high and nobody bought my porridge," she said. She advertised in another publication but noticed they piled up in doorways and saw dogs treating them as toys. "My ads are not being seen and no one is buying my porridge," she said.

Then she placed her ad in **Just the Facts**. Sales skyrocketed so she started a chain of porridge shops, bought a jet and and lived happily ever after!
