Danville Social Security office announces it will cut hours by 30 minutes daily in budget cutting move effective August 15

Effective August 15, 2011, the Danville Social Security office will be open to the public Monday through Friday from 9:00 a.m. to 3:30 p.m. – a reduction of 30 minutes each weekday.

While agency employees will continue to work their regular hours, this shorter public window will allow them to complete face-to-face service with the visiting public without incurring the cost of overtime. Congress provided Social Security with nearly \$1 billion less than the President requested for the budget this

fiscal year, which makes it impossible for the agency to provide the amount of overtime needed to handle service to the public as we have in the past.

Most Social Security services do not require a visit to an office. For example, anyone wishing to apply for benefits, sign up for direct deposit, replace a Medicare card, obtain a proof of income letter or inform us of a change of address or telephone number may do so at [www.socialsecurity.gov](http://www.socialsecurity.gov) or by dialing our toll-free number, 1-800-772-1213. People

who are deaf or hard of hearing may call our TTY number, 1-800-325-0778.
