Letters to the Editor

Mom receives great local care

A special thank you to the emergency room staff on duty Sunday, Dec. 18. Selicia, Terri and Dr. Garber reacted immediately to my mother's needs and diagnosed her condition, stabilized her and readier her for transfer to Carle Clinic. My mother was critical and because of the care she received at Hoopeston Regional Health Center, her health continues to improve.

I would also like to thank the staff at Hoopeston Ambulance Service for their prompt and caring, professional transfer to Carle Clinic.

Harry Brockus, CEO, and the board at the hospital continue to improve the type of care we are able to receive in our small community and the results are definitely noted.

Thank you.
