Expert to speak at Provena forum on childhood obesity

DANVILLE—The latest information from the Centers for Disease Control shows one in three American children is overweight. Without changes to their diet, today's children will be the first generation to not out-live their parents.

The first step in fixing the issue is to learn and talk about it. That's why HALO Project's Danville Let's Move Initiative for Childhood Obesity is bringing a nationally-known speaker to Danville to help educate parents and families about this issue.

Zonya Foco, registered dietitian, speaker, television host, author, guest presenter for "Oprah &

Bob's Best Life Challenge," and nutrition spokesperson will be featured at a community-wide Forum on Childhood Obesity at the Danville High School Auditorium.

The free event will be held 6-8 p.m. Wednesday, Jan. 25, with a presentation on childhood obesity and the major health threat it poses in Vermilion County.

HALO Project's Danville Let's Move Initiative for Childhood Obesity will also have a short presentation to educate the public on its goals, mission and five areas of focus: breastfeeding, nutrition, physical activity, school cafeteria food and education.

Have your own decorative Rosemary tree
and fresh Rosemary to brighten your winter meals.

Just add to chicken, pork, potatoes, Brussel sprouts & others.
