National Weather Service classifies May 6 storm as tornado

The National Weather Service in Lincoln confirmed that a tornado was contained within the severe weather that impacted Hoopeston on May 6.

Legion seeks help with flags

Hoopeston American Legion will place flags Floral Hill Cemetery graves, in preparation for Memorial Day, starting at 9 a.m. Monday. Assistance from the public is appreciated. For more information, call Bob Duffin, (217) 840-9241.

Assistance is also requested when flags are removed at 9 a.m. Thursday, May 31.

At 5:14 p.m. trained weather spotters viewed several areas of rotation around Hoopeston, along with high wind measurements. Hoopeston Emergency Management team decided to sound the warning sirens due to the low visibility, rapid rotation and high winds. At 5:18 p.m. Doppler Radar indicated a tornado touched down about 3.2 miles south-southwest of Hoopeston, traveling east, just south of Route 9 at 25 mph and was about 75 yards wide. At 5:23 p.m. the tornado dissipated about one mile southwest of City Hall, 301 W. Main St.

Based on damage, the National Weather Service categorized the tornado as an EF0 with winds of 80-85 mph.

Teacher request forms

Teacher request forms are available at Maple, Honeywell, and John Greer offices through May 25. The form has been revised. Parents will be asked to provide information about their child's personal, health, and academic characteristics. Parents will be able to request teacher characteristics that would best meet their child's needs. Specific teacher names will not be listed.

Along with parent comments, elementary principals will consider teaching styles, learning styles, academic skills, behavior, and class size to balance classrooms and guide placement.

Police News

A 35-year-old Hoopeston woman reported at 9:25 a.m. Wednesday that someone took an auger drill from the back of her truck while it was parked in the 800 block of East Chestnut.

A woman's ring was found in front of Sheridan's. The owner may identify and claim it at the police station.
