Changes coming as HPL moving to new circulation system

Hoopeston Public Library will soon move to a new online card catalog and circulation system. Polaris will help us be more efficient in searching for items, requesting items and materials circulation.

We are migrating to Polaris from our current online system with the help of the Illinois Heartland Library System, which took the place of Lincoln Trail Libraries System. Illinois Heartland Library System covers 28,141 square miles and serves a population of 2,248,634. There are 585 member libraries.

There will be many benefits to our patrons with the new system. However, during the transition time, there

are things patrons need to know.

Any requests placed but not received will be lost on March 22. Library staff recommend patrons wait to place new requests until after April 11. The new online card catalog and circulation system will be fully operational at that time.

Please print a list of your current requests for your records. If you do not have the ability to print your request list, call the circulation desk for help before March 22.

As of March 30, the library will no longer have a

Police News

Joaquin Granados, 18, of Hoopeston, was charged with criminal damage to state supported property at 1:26 a.m. Tuesday at the police station, after he allegedly scratched his name into a cot in the jail cell.

He was taken to the Public Safety Building in Danville.

HPL continued from other side

"live" system. No new cards will be issued between April 1-11. Patrons will need to bring library cards with them to check out.

Library staff thanks patrons for their patience during the transition.
