Facing an issue

As guests listen, Michelle Seat, left, and Will Samet, explain their research into the issue of drug abuse and possible solutions at Thursday's Hoopeston Area School Board meeting. The project was part of the seniors' government class. After the presentation, Principal Larry Maynard told the audience that Samet placed second in regional WYSE competition, allowing him to move on to state competition and that Seat has been selected for a month-long science summer camp in West Virginia. She is one of two Illinois students to be selected for the honor.
