CARDS OF THANKS

I would like to take this time to thank everyone who helped with my benefit. My family, friends, and amazing parents. I cannot believe the outpouring of generosity that has come from this small little community. I started a list of all the business's that donated for the benefit and auction and realized that so many people had received donations and brought them in that day that I could not possibly list all of them for fear that I would miss some! So I want to thank all of the businesses here in town, Rossville, Bismarck, Cissna Park, and Danville that donated. It made the benefit a huge success! Thanks to everyone who donated handmade items, baked goods, and their time. But most of all I thank you for all of the prayers, phone calls, flowers, meals, and text. I truly am a blessed woman who believes in the power of prayer, and my healing God.
