Letters to the Editor

Letter was spot on

My fellow Hoopestonians,

I agree and applaud the editorial in Thursday's edition of Just the Facts, Marty Parsons. Dissent is the highest form of patriotism. It is power for the people and by the people. Vote people !!! - or you and your children will be living in a police totalitarian state maybe sooner than later. Either way, it is coming and we need to act now and, the only real weapon we have is the vote.

I am fifty-seven and today's America is not the one I grew up in.
