City officials plan free food, activities during 'Our Town'

Friday it will be time to PARRRRTY!
 As part of WCIA's live broadcast from McFerren Park, as part of their "Our Town" focus on Hoopeston, city officials are adding incentives to encourage residents to kick up their heels.
 The city will provide free hamburgers and hotdogs, starting at about 4:30 p.m. Food will be served near the Lions Club stand in the park, said Mayor Bill Crusinberry.
 In addition, a small antique and classic car show is

being thrown together quickly. Anyone with antique tractors is also welcome to bring them, he said.
 Alderman Joe Fell is working to find entertainment to fill the time slot - from 4-6:30 p.m. - Crusinberry said.
 And finally, a patriotic-decorated golf cart parade is planned, with participants meeting near the Girl Scout House at 5:45, with the parade around the park during the 6 p.m. news.
 Anyone who wants to participate in the events can contact city hall or come to McFerren Park.

County to look at offers from potential nursing home buyers

Two potential buyers for Vermilion Manor Nursing Home will get the once-over Tuesday from the county's nursing home committee.
 The companies are the IDE Management Group (IMG), of Greenfield, Ind., and FNR Healthcare Group, of Skokie.
 IMG owns North Logan Healthcare in Danville, and Paris Healthcare, in Paris. The company has 28 nursing and assisted living facilities in Illinois, Indiana, Wisconsin and Iowa.
 FNR owns Gilman Healthcare Center, Gilman, and

Champaign-Urbana Nursing and Rehab, Savoy. It has partnered with Premier Healthcare Management to operate its facilities.
 Members of the county's nursing home committee, and Vermilion Manor staff have toured facilities of both companies.
 The committee will meet at 5:15 p.m. in the third floor of the Courthouse Annex. A full county board meeting will be held at 6 p.m. June 26 in the county board chambers. The only item on the agenda for that meeting will be the nursing home.

Why are children roaming late at night?

I have a question or two to which we know and don't know the answer.

I want to know why our teenagers are out after midnight roaming around. They are not going to a street dance-we don't have any that I know of, nor a school function, etc.

Why are adolescents and very young teens outside their homes after midnight, roaming around? What

Letters to the Editor

else but vandalism, etc.

Most important question; Where are the parents!?? If they are at home, don't they know or care what their 8 and 12 and 13 year olds are doing?

We need to get serious here as this is an escalating, serious situation. I don't know if any parenting classes are being offered here or if there may be in Danville. If we don't have any, will some group start one? I know some parents may not avail themselves

Police News

A 50-year-old Hoopeston woman reported at 9:03 am. Sunday that someone damaged her vehicle in the 500 block of South First Ave.

Correction

It was incorrectly reported in Monday's edition that Taylor Wolfe would sing at Friday's "Our Town" event from 6-7 p.m. She will actually perform at the July 3 celebration during that time.

Just the Facts regrets the error.
