The families of Debbie Compton, Kenny Compton, and Debbie (Compton) Clingenpeel would like to thank the many people who participated in raising the funds to cover the funeral expenses for Bruce Compton. There are too many names to list and we do not want to forget anyone. Thank you to all of those that came out and supported our family at the benefit. Our sincere thanks go out to the many businesses that donated money and merchandise for our auction. The overwhelming support has meant so much to us.

The family of Bruce Compton

A Big Shout Out to ALL of Bruce's nieces and nephews for all that they have done to support us during this difficult time! Email:

Letters to the Editor

Editor's note: Just the Facts does not normally run anonymous letters to the editor. However, due to the situation outlined in the letter, an exception has been made.

Employee hopes customer will step up

On July 5, I sold two money orders to a customer, one for \$500 and one for \$1,000. Somehow I failed to collect the money for the \$1,000.

After 18 years of service, the black mark on my record is the least of my worries. I must pay back the \$1,000 out of my own pocket.

I can't imagine how I would have made such a costly mistake or how I am going to come up with the money to pay this back. Perhaps the customer did not realize my mistake at the time, either.

I pray my job is not in jeopardy and I can cope with the financial burden this has caused my family. In the meantime, I am praying the person will come forward and make good on the transaction. I hope you can see it in your heart to make it right.

Chuckle for the day

My chuckle for the day was when I recently saw a lady with pretty red t-shirt with the following written on it: "25 or so years ago we had Ronald Reagan, Johnny Cash, and Bob Hope, now we have Obama, no cash and no hope."
