Teen Reach to host *Lights on Afterschool* event Thursday

The Hoopeston Multi Agency Teen REACH program will sponsor a *Lights On Afterschool* event on October 17. The event will include an open house from 4:30-6:30 p.m. where the community is invited to stop by the program and view art and craft work that participants have made.

There will be a brief program at 5:30 pm on the benefits of after-school programs, including inspiring children to learn, keeping them safe in the sometimes perilous afternoon hours, and relieving working families of worries about their children's activities in the afternoon.

At the event, parents and supporters will be able to sign a [petition](#) urging lawmakers not to deny or divert funding for afterschool programs. Refreshments will be served.

The event will spotlight the range of programming available at the Teen REACH after school program along with a showcase of art and craft work completed by participants.

The Hoopeston Multi Agency started the Teen

REACH after school program in 1998 with a grant from the Department of Human Services. It now serves more than 30 children, ages 8 to 17, providing homework assistance, mentoring, tutoring, specialty clubs such as gardening and cooking, and community service.

For more information on this event or the Teen REACH program in general call the Multi Agency at (217)

283-5544.
