Hoopeston Area names 1st Quarter *Expect More!* winners

Over the past year, Hoopeston Area schools have overhauled the vision and mission for the district. The new statement can be summarized with two words: Expect More! These words are powerful and can be used to describe our expectations for students, staff, administration, families and our community. The Expect More! Committee decided that they would recognize people who exemplify the Expect More! vision for the district. Each quarter anyone in the school district or community may nominate someone who they believe goes above and beyond for Hoopeston Area Schools. To become a part of the nomination process, visit our district website: www.hoopeston.k12.il.us.

Winners will be chosen and awards will be presented in a public forum. For the first quarter of the 2013-14 school year, our award winners were recognized during halftime of the varsity girls volleyball game on October 22. Recognized were three staff members and one community member.

Wade Clemmons is a member of the janitorial staff at Maple Grade School. He is very hard working, reliable, and efficient and makes it a point to ask about everyone's day and take an interest in what is happening in the classrooms.

"Mr. Wade" is a favorite among Maple students mainly because of the high expectations and friendly manner that he has for them. Clemmons goes above and beyond his responsibilities on a daily basis. From regular classroom cleaning at the end of the day to coaching middle school volleyball and answering to every request (no matter how important or insignificant),

CLEMMONS

cant), he is always doing his best.

While technically Maple staff, Clemmons has served the district in every building. He is well liked by students, staff, and community members and that speaks volumes of his character.

Michl Kearney is the Dean of Students at Hoopeston Area High School and also head football coach and PBIS internal coach at HAHS.

Kearney is very supportive; he always promotes HA school, staff, and students in an extremely positive way. He recently started a tutoring session for athletes with academic problems. He encourages students' success in sports by sending results with positive comments to all high school teachers and staff.

KEARNEY

Kearney is always ready to do whatever it takes to see the success of students and staff at Hoopeston Area. He spends countless hours after school mentoring students. Through his position, he has a lot of interaction with parents and business professionals. Kearney loves Hoopeston Area Schools unconditionally and does everything that he can to promote high expectations.

Dave McFadden owns Anthem Chevrolet in Hoopeston and has become a valued partner with Hoopeston Area Schools and an advocate for the positive changes taking place in our district.

McFadden is supportive of our schools and students. He gives generously his time, talent, and resources to our committees, sporting events, and music programs. He has a positive outlook when it comes to Hoopeston Schools and he does whatever he can to help our school.
