 Three people won the Moneyball contest, sponsored by Star Chrysler and Crown Ford. Lucas Hofer, Trey Anderson and Emily Ervin will split the \$1,200 jackpot. Pictured are, from left: Vince Gossett, Emily Ervin, Dick Read, Lucas Hofer, Trey Anderson and Al Wilson.

Star Chrysler/Crown Ford sponsored an event called "Moneyball" for the 2013-2014 Hoopeston Area basketball season. At every home game, everyone was handed a free ticket. During half time a number was drawn and the person who had the number would have a chance to win the jackpot.

To win each person selected had to shoot a layup, free throw and 3 pointer. The jackpot started \$250 and for every home boys or girls game that did not have a winner, the dealerships added an additional \$50 to the jackpot. February 19 was the last home game of the season

and the jackpot had grown to \$1,200.

For the final game, the names of three people were drawn to shoot. The event became a team effort so that if one of the three made all three shots, all would split the \$1,200.

Lucas Hofer shot the winning shot tonight, so he, along with Trey Anderson and Emily Ervin will split the \$1,200 jackpot!

The staff of Star and Crown had fun being a part of the Hoopeston Area basketball season and are proud of both the girls and boys teams for a great season.

**Free beauty program for cancer patients to be held at PUSMC**

DANVILLE—The *Look Good...Feel Better®* program will be offered free to cancer patients in active treatment in Danville and surrounding areas. The program will be held from 5-7 p.m. on March 3 at the Cancer center at Presence United Samaritans Medical Center, 806 N. Logan, Danville, and is a joint effort between American Cancer Society, National Cosmetology Association, and Personal Care Products Council Foundation that teaches beauty techniques to women who are actively undergoing cancer treatment to help them combat the appearance-related side effects of radiation and chemotherapy.

Registration is requested to ensure the proper make-up kit and materials are available for each participant. To register or for additional information, please contact Claire at the American Cancer Society at 309-688-3480 or 1-800-227-2345.

According to the American Cancer Society, there are dozens of anti-cancer drugs in use today, each with its own set of possible side effects. Possible appearance-related effects of chemotherapy and radiation include: hair loss on the scalp, eyebrows or lashes; weight gain or loss; changes in skin pigmentation and texture; skin oiliness, itchiness or peeling; and alterations in nail texture and growth rate.
