## ADM donates \$500 to Rotary Foundation for polio work

Archer Daniels Midland Company recently donated \$500 to the Rotary Foundation of Rotary International, to go toward helping eradicate polio in the world. The contribution will be put with contributions of other organizations and companies such as World Health Organization and the Gates Foundation to continue working toward the goal of having a polio free world.

"We are very grateful for the contribution that Archer Daniels Midland has made," said Jim Bowers of the Hoopeston Rotary Club and representative for The Rotary Foundation of Rotary International. "This is the second consecutive year that ADM has made a contribution and it is very much appreciated and needed to help us reach the goal of a polio free world."

In addition, customers must bring the following:

● Proof of income for all household members for the past 30 days;
