County rape crisis center seeks volunteers, sets training

Vermilion County Rape Crisis Center (VCRCC) is looking for people interested in helping those affected by sexual violence. Volunteer opportunities include manning the 24 hour hotline where volunteers will respond to calls and provide assistance and advocacy at the emergency room for victims who seek medical attention; fundraising; community and prevention education; and court advocacy. Volunteers choose the times

that they are available to help.

In addition to completion of the 40 hour training, volunteers must be 18 years of age, pass criminal and DCFS background checks, have a valid driver's license and reliable transportation, and telephone service.

VCRCC will begin volunteer training on September 13 and run through October 7. It is held on two Saturdays and Tuesday and Thursday evenings. The 40 hour training provides information that will assist volunteers in providing crisis intervention and medical advocacy to victims of sexual abuse/assault.

For more information or to register for training, please call Jennifer McGrown at VCRCC from 8 am-4 pm Monday through Friday at (217) 446-1337.
