Sleeping dog shot is second winner in JTF photo contest

Just the Facts' Summer Photo Contest is going to the dogs with the second winner chosen by a panel of judges that includes a photojournalist and professional and amateur photographers.

Heather Moore took the winning photograph of her dog, Ram, a 13-year-old Weimaraner napping in a sunny spot in Moore's Hoopeston home earlier this

summer.

The panel commented the balance between light and dark, varying textures of wood, pillow, as well as Ram, himself. "Who doesn't love a napping dog?," one judge asked.

The second round of the contest, which ended August 21. The contest ends September 21.
