## Heritage Health of Hoopeston achieves five star rating

Heritage Health, at 423 N. Dixie Highway, Hoopeston, achieved the highest possible "Overall Rating" of five stars by the Centers for Medicare & Medicaid Services (CMS).

Rankings are built on data from a consumer website (Medicare.gov) run by CMS, which sets and enforces standards for all nursing homes enrolled in Medicare or Medicaid.

The rating is based on data gathered from regular health inspections, nurse staffing levels, and quality measures. Analysis is conducted on these three data sources and each of these ratings is then combined

into one overall rating. (For more information about Heritage Health in Hoopeston's five-star rating, visit [www.FollowOurStars.com](http://www.FollowOurStars.com).)

"The five-star rating recently achieved is reflective of the excellent care and services delivered every day by an enormously dedicated and gifted team of health care professionals and support staff, said Administrator Beth Totheroh. "We are so proud of this accomplishment."

Totheroh has overall responsibility for the day-to-day operation of the facility, which is licensed for 75 beds.

Heritage Health in Hoopeston is a Medicare-certified facility managed by Heritage Enterprises. Heritage Enterprises, Inc. was founded in 1962 and is involved in a variety of residential and health care services for seniors.
